In person

Dear Sir,

It has come to our attention that your behaviour has become a threat to our security at INSEAD.

We believe that your actions and behaviour present a danger to the normal operations of the School and that you are in violation of our academic standards and values as well as the Participants Guidelines and Code of Conduct.

As a result:

- We hereby inform you we have decided to forbid you from any access to all INSEAD campuses during an interim period of two weeks;
- We also ask you to leave INSEAD Residences tomorrow morning at the latest.

We are also asking our legal department to investigate the matter and we will report this suspension to the Dean of INSEAD for further review which may lead to possible additional academic sanctions.

As a result, all your communications will only be sent through legal.department@insead.edu from now on.

We appreciate your cooperation in this matter.

Sincerely,

Urs Peyer
